

Grow Your World — Builder Questions

For Mike, from Andrew & Smithers

Short answers are totally fine — even "you decide" is helpful. The more you answer, the less we guess.

■ Gameplay Feel

1. When a kid runs out of Energy mid-day, what should happen?

- (a) Day ends automatically and they sleep
- (b) They can still explore / talk to neighbors for free
- (c) Something else:

Answer: _____

2. Should Sleep / New Day be a button the player presses, or trigger automatically when Energy hits 0?

Answer: _____

3. Should Happiness and Relationships meters be visible to the player in Stage 1, or tracked invisibly (communicated through character dialogue and world feedback)?

- (a) Fully visible meters
- (b) Invisible — communicated through characters and world
- (c) Partially visible (e.g. emoji / mood icon, not a number)

Answer: _____

4. When Happiness gets low, what's the signal?

- (a) Character looks sad on screen
- (b) Neighbours comment on it
- (c) Gentle prompt from Grandpa
- (d) Visual change to the neighbourhood
- (e) Combination / other:

Answer: _____

■ Treehouse

5. The 4 decoration options — any specific ideas, or should we pick them?

(Examples: string lights, rug, telescope, flag, hammock, telescope, banner, beanbag...)

Answer: _____

6. "Invite a Friend Over" — does the player have named friends already in the neighbourhood, or do they meet friends through gameplay first?

- (a) Pre-existing named friends from the start
- (b) Meet friends through quests / exploration, then invite them
- (c) Other:

Answer: _____

7. Learn With Grandpa lessons — what format feels right?

- (a) Text-based dialogue boxes
- (b) Illustrated story panels (like a mini comic)
- (c) Simple fill-in-the-blank / soft question
- (d) Combination:

Answer: _____

■ **Bike**

8. Weekly Bike Race — what's the mechanic?

- (a) Mini-game (tap / swipe / timing)
- (b) Stat check (your bike stats vs. competitors)
- (c) Other:

Answer: _____

9. Bike upgrades — what are they, and what do they affect?

(Examples: faster tires, better brakes, cool paint job, basket for deliveries...)

Do upgrades affect: race performance / delivery speed / both / cosmetic only?

Answer: _____

10. Rainy-day bakery delivery (5 lemons → \$10): can the player do multiple runs per rainy day, or just one?

- (a) One run per day
- (b) Multiple runs (each costs Energy)
- (c) Other:

Answer: _____

■ **Pond & Collectibles**

11. What are the 5 items for Grandpa's quest? Any specific ideas, or should we design them?

(Examples: rare fish, old coin, blue feather, smooth stone, wildflower...)

Answer: _____

12. Fishing — mini-game or simple "spend 1 Energy, get a result"?

- (a) Mini-game (timing / tap mechanic)
- (b) Simple result (spend Energy, see outcome)
- (c) Other:

Answer: _____

13. Do collectibles have any use beyond filling the Treehouse display, or is discovery the whole reward?

- (a) Display only — discovery is the reward
- (b) Some have trade / quest value
- (c) Other:

Answer: _____

■ Economy

14. Stand upgrade (\$40, after ~15 days) — does the kid manually buy it, or does Grandpa prompt them when they're eligible?

- (a) Player-initiated purchase
- (b) Grandpa prompts when ready
- (c) Both options available

Answer: _____

15. Second lemonade stand (after Grandpa quest) — does it run automatically with a hired helper each day, or does the player actively assign/manage it?

- (a) Runs automatically (hired helper always on)
- (b) Player assigns helper each day
- (c) Other:

Answer: _____

16. Savings interest rate — your spec says 0.1–0.5% daily. What's the right number, and does it show as a daily drip or a weekly lump sum?

Rate: _____% Display: (a) daily drip (b) weekly lump (c) both

Answer: _____

■ Grandpa & Characters

17. Does Grandpa live somewhere specific on the map, or is he always available everywhere?

- (a) Lives at a specific house / spot on the map
- (b) Available everywhere (like a phone call / thought bubble)
- (c) Wanders / appears contextually

Answer: _____

18. Are there named kid friends in Stage 1, or just adult neighbour characters (Tortoise, Bee, Fox)?

If friends exist: how many? Do they have names already?

Answer: _____

19. Should neighbours (Tortoise, Bee, Fox) give quests with real rewards in Stage 1, or mainly dialogue / advice?

- (a) Mainly advice / dialogue
- (b) Simple quests with rewards (coins, items)
- (c) Both — some give quests, some are advice-only

Answer: _____

■ Platform & Polish

20. Primary device for players?

- (a) Phone (b) Tablet (c) Desktop/laptop (d) All of the above

Answer: _____

21. Sound / music vision?

- (a) Cozy background music + sound effects
(b) Sound effects only
(c) Music only
(d) Silence for now (add later)

Answer: _____

22. Does the neighbourhood / town have a name yet?

Answer: _____

23. Any other characters, mechanics, or details you want to lock in before we build?

Answer: _____

Thank you, Mike — this will make the build faster and closer to your vision.
